## DESCRIPTION

### 2023 GMC Acadia AWD SLE for sale

If you're looking for a family SUV that's confident in winter and comfortable on the highway, this 2023 GMC Acadia SLE AWD checks the boxes. The AWD system adds peace of mind for snowy commutes, icy side roads, and shoulder-season travel, while the Acadia's roomy interior makes it a great fit for families, road trips, and everyday life around the Bulkley Valley. Whether you're heading out to Terrace, Prince Rupert, or coming in from a remote community, the Acadia is built to handle the distance without feeling like a "big" SUV to drive and park.
